

Package: 5 Nights Classic Wilderness Moments
Destinations: Livingstone and Kafue National Park
Camps: Toka Leya Camp & Busanga Bush Camp

With some of the wildest and most remote game areas on the continent, a remarkably low population in a massive country, Zambia has an aura of Africa undiscovered.

Toka Leya Camp – Mosi Oa Tunya National Park – Livingstone: 2 Nights

Overlooking the mighty Zambezi River and some of its islands, Toka Leya Camp is splendidly situated in the Mosi-oa-Tunya National Park. Twelve spacious en-suite safari-style tents (including three family tents) with expansive decks soak up the dramatic views and active wildlife. Wooden walkways snake between the units and main area, limiting our footprint on this pristine area.

The camp's generous dining, lounge and bar areas offer scenic relaxation and are complemented by an infinity pool, a sundeck for sumptuous meals and a convivial fire pit for night-time gatherings. The novel pizza oven is a great hit with all our guests, especially the younger ones!

Highlights

- Situated just 12 kilometres from the world-renowned Victoria Falls
- The area offers many activities including safaris, fishing on the Zambezi and adrenalin-pumping adventures
- Hippo, crocodile and elephant are regularly seen near camp

Busanga Bush Camp – Kafue National Park – 3 Nights

Busanga Bush Camp lies in the heart of the Busanga Plains, a vast mosaic of expansive grassy seasonal floodplains that extend to the horizon. When the mist rises off the floodplains as they dry up in winter, incredible sunrises and sunsets are experienced here, while the floodplains and dambos teem with wildlife and birds.

Hidden on a tree-island of sycamore fig trees, the camp has four well-appointed en-suite tents each with a veranda to take in the sweeping views. The lounge and bar area is under canvas with an uninterrupted view out over the plains. A little further back is the dining area, shaded by the canopy of a majestic tree from which an unusual lantern chandelier hangs, romantically lighting up dinner; most meals are served in the open air.

Highlights

- The Busanga Plains provide some of the best lion viewing in Africa
- Hot air balloon rides over endless plains, with hippo and dashing lechwe to be seen far below
- At certain times, the rising mist over the floodplains creates spectacular photographic opportunities
